RE: Request for Waiver of Rule 47 CFR §1.949(a) for KA98095
“Applications for renewal of authorizations in the Wireless
Radio Services must be filed no later than the expiration date
of the authorization”

Dear Sir,

Regarding Radio Station Authorization, **Call Sign KA98095**; Learjet Inc. cordially ask the Commission to grant a waiver of the “filing deadline rule” described in ***U.S Code, Title 47 - Section 1.949(a)*** as “no later than the expiration date of the authorization”.

The above authorization was first granted by the Commission to Learjet Inc. (FRN 0003467586) on 05/09/2006 and expired 04/01/2011. The authorization is used to support flight test telemetry requirements in Roswell, NM. Due to extenuating circumstances, Learjet Inc was unable to file an application for renewal prior to the expiration date of the authorization. We ask that the Commission please waive the “filing deadline rule” in this particular instance.

Sincerely,

Donald J Hoehn
